

## **BLUNSDON EAST NEIGHBOURHOOD PLAN – FUNDING GRANT RECEIVED**

The Neighbourhood Plan team are very pleased to confirm that their application for a grant to support the preparation of the Neighbourhood Plan has been accepted. The grant has been provided by the Community Development Foundation and is for £4395. This financial support is also accompanied by some professional help from Planning Aid, who have appointed an expert to guide us through the neighbourhood planning process.

The team would like to place on record their thanks to the Community Development Foundation for this support. Together with the support already in place from the Parish Council, the work on the preparation of the plan now has funding in place to see it to completion.
